MOBILI ITALIANI MODERNI

Un organico di tanti collaboratori interni ed esterni (DELTA Mobili, Pantarei, Formerin, Maccan), estremamente qualificati e competent. Interpretiamo e trasformiamo ogni progetto in autentiche realizzazioni.

Una squadra forte, dinamica, affiatata e capace. Strutture moderne e dotate di macchinari di ultima generazione, con però, al centro di tutto, le nostre donne, i nostri uomini e i nostri Clienti.

Our staff is composed by many inside and outside co-operators (DELTA Mobili, Pantarei, Formerin, Maccan), extremely skilled and qualified. We transform a concept idea into a realized-project.

A strong team, dynamic, well together, and capable. Modern structures, up to date machinery, all of this focused on our Women, our Men, and our Clients.

Di seguito abbiamo il piacere di riportare alcune ns. realizzazioni precisandovi che, oltre alle immagini dei relativi ambienti finiti ed arredati, siamo orgogliosi di mostrarvi, il cosiddetto “work in progress” all’interno delle nostre aziende. Immagini infatti che raccontano la storia del progetto, il sapore di esso, delle sapienti menti e delle abili mani che ci hanno lavorato. Il prodotto Custom è per noi un qualcosa di unico e speciale, difficilmente descrivibile e raccontabile con le sole immagini del lavoro finito.

We are pleased to present some of our accomplishments specifying that, in addition to images of the finished and furnished environments, we are proud to show you, the so-called "work in progress" within our companies. Images that tell the story of the project, the taste of it, and the skillful hands and minds we have. The Custom product is for us something unique and special, that is difficult to describe and raccontabile with the only images of the finished work.
